

<p><b>CITY OF BEAVERTON</b></p> <p><b>Public Works Manager 2</b></p>
--

### **General Summary**

Plan, direct and coordinate the overall activities for two diverse Operations Division programs. Meet with and assist contractors relative to City operations projects. Work closely with other departments as well as special districts and/or other public and private agencies regarding public works projects.

### **Key Distinguishing Duties**

Overall responsibility for managing programs and staff of two diverse and technical sections. Projects managed by this classification have limited financial impact to the City's budget, but could impact other City departments.

### **Essential Functions**

*Depending upon assignment, the incumbent may perform a combination of some or all of the following duties, which are a representative sample of the level of work appropriate to this class.*

1. Manage two diverse sections in the Public Works Department. Develop, review, approve and implement section work plans, services, policies, procedures and reports. Set performance standards. Serve as a member of the Public Works Department management team. Evaluate performance and program effectiveness to ensure compliance with federal, state, regional and local regulations. Recommend action for improvement as appropriate. Prepare requests for proposals and authorize payments to contractors and consultants.
2. Manage staff to ensure City goals and objectives are met. Schedule, assign and review work. Make hiring recommendations. Provide opportunities for developmental training and performance coaching to employees. Conduct performance evaluations. Respond to employee grievances and oversee disciplinary processes according to the collective bargaining agreement and City policy.
3. Coordinate and review private contractor and in-house design plans for projects for compliance with codes, standards, and operational needs.
4. Prepare, recommend and monitor budget for sections.
5. Develop work plans, timelines, schedules and resource allocations for assigned projects. Monitor progress to ensure objectives are met.

6. Exhibit leadership to staff, work teams and fellow employees. Serve as a model for accomplishing City's vision and goals. Create an environment in which employees are focused on producing excellent quality results.
7. Produce an acceptable quantity and quality of work that is completed within established timelines.
8. Provide direction and set standards for excellence in internal and external customer service. Promote professional and courteous behavior with a creative approach to problem resolution that creates a positive experience for the customer.
9. Represent the sections/department and/or City to the public, in legal or administrative proceedings, to other organizations or entities and in other situations as required. Make presentations and provide comment and testimony. Advance and protect the interests of the City and its citizens in all matters.
10. Provide employees with basic job training and safety instruction. Actively support safety and loss control measures. Ensure employees are held to departmental safety and loss control standards. Investigate accidents and incident reports and take corrective action.
11. Participate in the City Emergency management program including classes, training sessions and emergency events.
12. Develop safe work habits and follow all required safety policies, procedures and techniques. Contribute to safety of self, co-workers and the general public.
13. Follow standards as outlines in the Employee Handbook.
14. Actively promote and support diversity in the workplace through staffing, promotions, training and career development. Model respect for diversity in the workplace.

### **Other Functions**
